Associate Membership

For \$25 a year, you can put nearly forty years of experience to work for your arts organization. MCA is uniquely recognized by Maryland's elected officials as the principal voice for our vital arts community. Our mission is to promote funding for the Maryland State Arts Council and to advocate for the arts at the state and federal levels. As the only organization in Maryland which speaks and acts on behalf of all arts organizations, we need your support to ensure the continued strength of Maryland's arts industry.

Just look what we've been able to accomplish so far: MCA has worked with Maryland's Governors and state legislators to **grow the state's arts allocation from \$8.5 million in FY 1999 to \$20.4 million in FY2018**, making Maryland forth in the country in per capita spending for the arts. These are tremendous gains and they must be protected. With your financial support, MCA will continue to present a well-informed, united and effective coalition to our elected leaders in Annapolis and on Capitol Hill.

Associate Membership is open to arts and cultural organizations with concerns and interests in the arts community BUT who are not currently grant recipients of the Maryland State Arts Council. Associate Members receive the benefits of MCA membership at the reduced rate of \$25 per Membership year.
